Group Description and Reason for Raising Funds

How much money are you trying to raise? \_\_\_\_\_ No. of People Selling the Discount Cards \_\_\_\_\_

Desired Start Date \_\_\_\_\_ Do you know of any other discount card sales that go on in your area?      Yes      No

Once we receive your application and wish list, one of our representatives will contact you to discuss your program and provide you with an agreement form that must be signed, dated and returned before we can begin securing merchants. It typically takes 4 - 6 weeks to secure merchants, set up the card, send out proofs to merchant, print and deliver your fundraising cards.

**GENERAL PAYMENT TERMS:** A \$500 deposit is required to begin your program. The deposit will be credited to your final invoice. If we cannot fill your card due to non-participation by merchants, there is no charge to you and your deposit will be refunded. IF YOU CANCEL ANYTIME AFTER WE BEGIN SECURING MERCHANTS, YOUR DEPOSIT IS NOT REFUNDABLE. Final payment is due four weeks after card delivery. 25% of your card total can be returned at a return fee of .50 per card. Final profit is based on cards sold, not cards ordered.

Once we have a signed agreement, along with your cleared deposit, we will begin securing merchants on your card. The card front and colors are customized for your group or team. You will need to provide us with high resolution logo artwork and the information you would like on the front of the card.

### About the Merchant Wishlist

The wishlist must be completed fully before we can begin securing merchants for your fundraising card. Be sure to add phone numbers so we can secure your desired location. **If you add a merchant to the list and decide you want to replace them after we have secured an offer, there is a charge of \$35.00 to secure a new merchant for that spot.** If, after going through your entire list, we do not have enough merchants to fill your card, you will be asked to provide us with a new list. In some cases, you may be required to personally visit a merchant before they will participate.
